

**REMARKS**

The Office Action objected to the drawings, the abstract, and the specification due to informalities. Applicant has amended the drawings, the abstract, and the specification to overcome the objections and respectfully requests that the objections be withdrawn.

The Office Action rejected Claims 1-11 under 35 U.S.C. §112 as being indefinite. Claims 1-11 have been amended to overcome the rejection and Applicant respectfully requests that the rejection be withdrawn.

For the reasons stated above, Applicant now believes the application is in condition for allowance and early notification of the same is respectfully requested.

If the Examiner believes a further telephone conference would assist in the prosecution, the undersigned attorney can be contacted at the listed phone number.

Very truly yours,

**SNELL & WILMER L.L.P.**
